RACE NUMBERS & TIMING CHIPS

Race numbers have been posted out to anyone that entered before **9am on Monday 9th November**. Anyone that entered after this will need to collect their number from Race HQ on the morning of the race.

If you entered before the cut off and have not received your number, please report to the help desk on race day for a replacement.

Your timing chip will be fixed to the reverse side of your race number. Please ensure that your race number is securely fastened, and fully visible, on the front of your running top at all times during the race.

Your chosen hoody size will be marked on the front of your race number and you will not be able to change this for a different size.

NOTE: Once you have your Race Number, there is no requirement to register on the day. There will be no on the day entries, and no deferrals or transfers available on the day.

Please arrive 'race ready' wherever possible, as changing facilities will be limited.

BAGGAGE

NEW FOR THIS YEAR! Your race number will include a baggage tag which should be securely attached to your bag prior to drop off. The baggage drop facility is available at The Arc (Race HQ/Start location). Bags will then be moved to the finish for collection at Clowne Community Centre. Due to space limitations, we politely ask that you are considerate with the size of your bag. All bags are left at the owners responsibility and we cannot be held responsible for any loss or damage caused by the use of these facilities.

CAR PARKING

We have ample parking at the Heritage School and Penny Engineering locations, and marshals will be on site before the event to help manage parking. Please note that the car parks will not be attended during the event. Vehicles and their contents are left at the owners risk. If you choose not to use one of our official car parks, please park responsibility in the village do not block access for any local residents

THE COURSE

There will be mile markers at every mile and drinks stations at miles 3, 7, 11 (approx.) and marshals at regular points along the course.

The Half Marathon route runs on a mixture of open and closed public roads and footpaths. Please ensure that you pay attention to all instructions from marshals and signage. Use footpaths when available and stay to the left hand side when on any roads, unless specifically instructed otherwise by signage and/or marshals.

SAFETY

The course is designed to be enjoyable but can also be challenging in places. Please ensure that you are fit and in good health before taking part. If you find yourself experiencing any problems during the race, please report to a marshal as soon as possible.

There will be medical support on the route provided by 365 Secure Care.

The race has a cut-off time of 3 hours. Any participants that cannot remain on course to finish within the race cut-off time will be asked to withdraw.

PLEASE NOTE
Under UK Athletics Rules of Competition, **headphones are not permitted** and anyone found wearing headphones during the event will be disqualified. Only UK Athletics approved bone conducting headphones will be permitted.

REFRESHMENTS

Refreshments will be available to purchase from the Arc Leisure Centre before the race. And at Clowne Community Centre during and after the race, with hot and cold drinks and snacks available to buy.

WEATHER

Due to the time of year that the event takes place, we can expect a variety of conditions on the day. The safety of competitors is our number one priority, and the event may be subject to cancellation if, for any reason, conditions are deemed to be unsafe. No refunds will be given in the event of a cancellation.

FUN RUN

The Fun Run will be an approx 1.2 mile out and back route along the Clowne Branch Line Greenway (there will be an option to make it shorter for little ones). £2.00 enter on the day (cash only). Registration at the Old Station Platform on the Clowne Branch Line, medal and treats for all finishers. Please enquire at the main Race HQ on the morning for directions and details.

PHOTOS

Photographers will be in attendance taking pictures of you at places around the course. These will be made available to you for free sometime after the event. Should you wish for any photo of you to be removed, please contact Clowne Road Runners. Should you wish that no photos are taken then please inform the Event Organisers where every effort will be made not to.
