

## JUNIOR PARKRUN

Would you like a chance to walk, jog or run every week with other children?

Would you like to have a junior parkrun just for children aged 4 - 14 years?

Junior parkrun would be every Sunday at 9 o'clock on a field in Staveley.

Your course would be 2km long but you can stop when you like.

To make this happen we need to know how many children and young people would join in.

Please help us by answering these questions:
