

## JUNIOR PARKRUN - Family Consultation

We are hoping to launch a junior parkrun in the Staveley area soon – exact venue is still to be confirmed.

Junior parkrun operates on the same lines as parkrun but is specifically for children aged 4 – 14 years and takes place at 9.00 on Sundays on a 2km course.

To make this happen we need an idea of how many parents/guardians are willing to support the event by encouraging their children to take part and by volunteering to help (roles are almost same as usual parkrun). Please could you help by answering the following:

1. I would be willing to volunteer at junior parkrun  
Never                      Occasionally                      Regularly                      Most weeks
2. If I volunteered my preferred role would be  
Event Director                      Run Director                      Setup/pack away                      Marshall                      Timing/tokens
3. My child(ren) would probably take part  
Never                      Occasionally                      Regularly                      Most weeks
4. Age of child(ren):
5. My postcode:
6. May we contact you about junior parkrun?

Name.....

Contact no/email.....

Further details will be posted on Poolsbrook parkrun Facebook page or contact me for more information.

Completed forms can be returned to me by post or email at the address below or handed to myself or Mark Hazlehurst at Poolsbrook parkrun by Sat 7<sup>th</sup> Oct please.

Thank you and happy running!
